Braniff Airways: Flying Colors takes readers on a magical flight through the history of Braniff International Airways, beginning with its small-town Oklahoma roots to its high-flying and stylish span of the globe. Braniff brought together the mystery of aviation with the glamorous fields of fashion, art, and design, and taught the flying world how to fly with style and beauty. It is this remarkable joining of forces that has made Braniff as popular today as it was when flying in style across the Atlantic and Pacific.
