Essentials of Economics Glenn Hubbard, Anthony P O'Brien

Hubbard & O'Brien is the only book that motivates students to learn economics through real business examples. The #1 question students of economics ask themselves is: "Why am I here, and will I ever use this"? Hubbard & O'Brien answer this question by demonstrating that real businesses use economics to make real decisions daily. This is motivating to all students, whether they are business majors or not. All students can relate to businesses they encounter in their everyday lives. Whether they open an art studio, do social work, trade on Wall Street, work for the government, or bartend at the local pub, students will benefit from understanding the economic forces behind their work.
