Honor Among Enemies: Honor Harrington, Book 6 David Weber

Despite political foes, professional jealousies, and the scandal which drove her into exile, Capt. Honor Harrington has been offered a chance to reclaim her career as an officer of the Royal Manticoran Navy. But there's a catch. She must assume command of a "squadron" of jury-rigged armed merchantmen with crew drawn from the dregs of her service and somehow stop the pirates who have taken advantage of the Havenite War to plunder the Star Kingdom's commerce.

A Note from Author David Weber

There's been some confusion-not to say, um, energetic debate, readers and fans being readers and fans-about the correct pronunciation of "Manticoran." The truth, alas, is that a stitch was dropped. An error occurred. A mistake was made... and it wasn't Audible's fault. It was mine. Before Audible recorded the very first Honor Harrington book, narrator Allyson Johnson and I not only corresponded by e-mail but actually spoke to one another by phone. She wanted to make absolutely certain she had the correct pronunciations for names, places, star nations, etc., and I tried to make certain all of her questions were answered. And so they were. Unfortunately, at some point in the process, I replied to one of her e-mails by telling her that "Man-ti-core-ahn" was pronounced "Man-tik-er-ahn." Exactly how this happened is more than I can say at this point, except to blushing disclose that the original e-mail remains intact, confirming to all the world that it was, indeed, my fault. I can ascribe it only to a temporary mental hiccup on my part and crave your forgiveness. If, however, you must blame someone for the mix-up, that someone should be me and not Audible, who have done everything they could to get it right.
