Le Morte D'Arthur

Sir Thomas Malory

Le Morte D'Arthur Sir Thomas Malory

This monumental work made the Arthurian cycle available for the first time in English. Malory took a body of legends from Celtic folklore that had been adapted into French literature, gave them an English perspective, and produced a work that ever since has had tremendous influence upon literature.

The story begins with King Uther Pendragon's use of enchantment to lay with Igraine, Duchess of Cornwall. Arthur is conceived and taken away in secret, returning as a young man to claim the throne by pulling the sword Excalibur from the stone. In retelling the story of Arthur's rule of Britain, Malory intertwines the romances of Guinevere and Launcelot, Tristram and Isolde, and Launcelot and Elaine. Sir Galahad's appearance at Camelot begins the quest for the Holy Grail. Finally, Camelot is brought down by the conflict between King Arthur and his natural son, Mordred.
