Many of us know that cooking seafood can be one of the most challenging culinary experiences that we will ever face in the kitchen. When so much can go wrong in such a short period of time, just the mere thought of preparing a seafood dinner can cause us to rethink our meal plans for the night! But cooking a mouth-watering seafood meal does not have to be this overwhelming, and as you go through this e-book, you will find out why. The possibilities really are endless when you combine this convenient cooking process with some of your favorite types of seafood dishes. As you flip through the book, you will notice how effortless it is to make these delectable meals. In no time, you will be able to satisfy your seafood craving without having to go through the trouble of cooking each individual type of seafood. Your cook time will also be cut virtually in half, as it takes less time for the food to fully cook while in a pressure cooker. Imagine having more time to devote to savoring your meals instead of dealing with a messy clean up! Throughout the book, you are sure to find recipes that will satisfy your tastes, and you may even find a couple of new meals that will quickly become favorites.
