The Quiet Place

Sarah Stewart

The Quiet Place Sarah Stewart

When Isabel and her family move to the United States, Isabel misses all the things she left behind in Mexico, especially her aunt Lupita and hearing people speak Spanish. But she also experiences some wonderful new things--her first snow storm and a teacher who does not speak Spanish but has a big smile. Even better, Papa and her brother Chavo help her turn a big box into her own quiet place, where she keeps her books and toys and writes letters to Aunt Lupita. As she decorates and adds more and more on to her quiet place, it is here that Isabel feels the most at home in her new country while she learns to adjust to the changes in her life.

Set in the 1950s and told through Isabel's letters to her aunt, Sarah Stewart and Caldecott Medalist David Small have created a charming and unforgettable young heroine who will win the hearts of readers in this story of immigration and assimilation. *The Quiet Place* is a *Kirkus Reviews* Best Children's Book of 2012

From reader reviews:

Jason Villalobos:

Here thing why that The Quiet Place are different and reliable to be yours. First of all studying a book is good but it really depends in the content of computer which is the content is as yummy as food or not. The Quiet Place giving you information deeper since different ways, you can find any book out there but there is no guide that similar with The Quiet Place. It gives you thrill studying journey, its open up your own personal eyes about the thing that happened in the world which is might be can be happened around you. You can bring everywhere like in recreation area, café, or even in your way home by train. Should you be having difficulties in bringing the paper book maybe the form of The Quiet Place in e-book can be your substitute.

Sergio Kelley:

A lot of people always spent their particular free time to vacation or go to the outside with them friends and family or their friend. Do you know? Many a lot of people spent many people free time just watching TV, or even playing video games all day long. If you need to try to find a new activity this is look different you can read the book. It is really fun for you. If you enjoy the book which you read you can spent the entire day to reading a e-book. The book The Quiet Place it is rather good to read. There are a lot of those who recommended this book. These people were enjoying reading this book. When you did not have enough space bringing this book you can buy the e-book. You can m0ore simply to read this book from your smart phone. The price is not to cover but this book provides high quality.

Wilfred Walker:

Beside this The Quiet Place in your phone, it may give you a way to get nearer to the new knowledge or information. The information and the knowledge you might got here is fresh in the oven so don't end up being worry if you feel like an outdated people live in narrow community. It is good thing to have The Quiet Place because this book offers for your requirements readable information. Do you often have book but you do not get what it's exactly about. Oh come on, that will not end up to happen if you have this with your hand. The Enjoyable set up here cannot be questionable, like treasuring beautiful island. So do you still want to miss that? Find this book as well as read it from right now!

David Peacock:

This The Quiet Place is fresh way for you who has interest to look for some information as it relief your hunger of information. Getting deeper you into it getting knowledge more you know otherwise you who still having little bit of digest in reading this The Quiet Place can be the light food for yourself because the information inside this specific book is easy to get through anyone. These books produce itself in the form which can be reachable by anyone, sure I mean in the e-book web form. People who think that in guide form make them feel tired even dizzy this e-book is the answer. So there isn't any in reading a publication especially this one. You can find actually looking for. It should be here for an individual. So , don't miss the

idea! Just read this e-book sort for your better life as well as knowledge.
