## **The Red Queen: Sex and the Evolution of Human Nature** Matt Ridley

Referring to Lewis Carroll's *Red Queen* from *Through the Looking-Glass*, a character who has to keep running to stay in the same place, Matt Ridley demonstrates why sex is humanity's best strategy for outwitting its constantly mutating internal predators. *The Red Queen* answers dozens of other riddles of human nature and culture -- including why men propose marriage, the method behind our maddening notions of beauty, and the disquieting fact that a woman is more likely to conceive a child by an adulterous lover than by her husband. Brilliantly written, *The Red Queen* offers an extraordinary new way of interpreting the human condition and how it has evolved.
