The Sandbox, Stories of Human Spirit and War Mike Liguori, Paul Rieckhoff

When 18 year old Mike Liguori joined the Marines after 9/11, he knew fighting for his country was the right thing to do. He saw the Iraq War as an opportunity to bring purpose to his life but little did he know that war would not be as glorious as he had thought and that it would change his forever. With stories of brotherhood, heartache and an in depth account of coming home, **THE SANDBOX: STORIES OF HUMAN SPIRIT AND WAR** gives readers a gut wrenching, detailed account of the other side of war. From the low point of being close to ending his own life to the high of finding renewed purpose, Liguori has survived and thrived through a newfound spiritualism and the recognition that his tours of duty in Iraq and subsequent diagnosis of Post-Traumatic Stress Disorder (PTSD) has made him a stronger person.
