When feisty Wanda Wyatt is left widowed, penniless, and disturbed by recent fits of rage, she turns to the one person she hates--her grandmother, ex-moonshiner Lucie Bosell. Lured by a vague invitation, she travels back to her mountain roots with two goals in mind: money and revenge. But at what cost? Prohibition has come to West Virginia, and with moonshine worth more than ever, Lucie wants in on the action. Playing along, Wanda finds that being as mean and deceptive as Granny hurts her chances with a compelling man from her past. Worse, the old woman's high-stakes business attracts ruthless people and big trouble. Wanda learns the hard way--revenge is cold comfort.
