## Leaving Tabasco: A Novel Carmen Boullosa

Carmen Boullosa is one of Mexico's most acclaimed young writers, and *Leaving Tabasco* tells of the coming-of-age of Delmira Ulloa, raised in an all-female home in Agustini, in the Mexican province of Tabasco. *The Washington Post Book World* wrote, "We happily share with [Delmira]... her life, including the infinitely charming town she inhabits [and] her grandmother's fantastic imagination."

In Agustini, it is not unusual to see your grandmother float above the bed when she sleeps, or to purchase torrential rains at a traveling fair, or to watch your family's elderly serving woman develop stigmata, then disappear completely, to be canonized as a local saint. As Delmira becomes a woman, she will search for her missing father, and will make a choice that will force her to leave home forever.

Brimming with the spirit of its irrepressible heroine, *Leaving Tabasco* is a story of great charm and depth that will remain in its listeners' hearts for a long time.
