**Arctic White** Danna Smith

*When you live in the Arctic in winter,  
everything is a shade of white.*

A young girl looks around her home in the Arctic and sees only white, white, white...but one day her grandfather takes her on a journey through the tundra. And at the end of their cold walk across the ice, they find something special that brings color into their world.

Oh come on your reading sixth sense already told you so why you have to listening to yet another sixth sense.

#### John Almanzar:

As a college student exactly feel bored for you to reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Arctic White can make you truly feel more interested to read.
