## Collections Management (Leicester Readers in Museum Studies)

*Collections Management* brings together leading papers exploring some of the major issues affecting collections management.

Providing information about initiatives and issues for anyone involved in collections management, Fahy identifies the main issues relating to collecting and disposal of collections and discusses why museums should develop appropriate documentation systems.

Examining the status of research within museums, the various sources of advice relating to security and addresses the basics of insurance and indemnity, *Collections Management* is an invaluable and very practical introduction to this topic for students of museum studies and museum professionals.
