Conquering Chaos Catelynn Lowell, Tyler Baltierra

Since Catelynn Lowell and Tyler Baltierra shared their story of teen pregnancy and adoption on the MTV's 16 & Pregnant and Teen Mom, they've been known for their inspiring commitment to growing up right. Between their experience placing their first daughter for adoption and their struggle to cope with problems in their families, Catelynn and Tyler were challenged in every imaginable way. But against all odds, the childhood sweethearts rose above the dysfunction to become responsible adults whose story has inspired many others.

How did two troublemaking kids from the trailer park make it through the storm of family dysfunction, teen pregnancy, and adoption without letting go of each other? What gave them the strength to conquer the chaos of their lives and go on to become people their children could be proud of? And what really happened when the cameras weren't there? Now, in their debut book, Catelynn and Tyler tell the story in their own words...and they leave nothing out. From the wild behavior that went down before MTV to their experiences learning and teaching about adoption, Catelynn and Tyler lay it all out on the table. Open, honest, raw, and real, Conquering Chaos is an incredible look at two young people who beat the odds and used their victories to give hope to others.
