Family Law, Loose-Leaf Version William P. Statsky

FAMILY LAW, sixth edition, provides a comprehensive introduction to modern family law for the paralegal, covering substantive and procedural law with a strong practical emphasis. In addition to fundamental principles of family law and nationwide legal practices, the text includes state-specific assignments to help you identify relevant laws and regulations in your area. Legal analysis exercises help you apply substantive law principles discussed in each chapter, while sample checklists, forms, documents, cases, and exhibits provide exposure to real-world tools and processes used by working professionals. New content for the sixth edition includes updated coverage of evolving legal issues such as same-sex marriage, adoption, fertility, stem cell research, material on legal ethics, and the role of technology in law.
