God's Gift to Women: Discovering the Lost Greatness of Masculinity Eric Ludy

In a culture that exalts the caveman-like qualities of masculinity, most women have stopped expecting anything more. Young men are taught to view women as slaves to their self-centered desires. More than ever, men need to know that they can rise above this sad mediocrity. They desperately need someone to recognize their potential for blending courage and kindness, strength and spiritual sensitivity. With its riveting vision of Christ-centered manhood, *God's Gift to Women* shows young men how to become the heroic, selfless knight that every woman dreams about.

Buried Inside Every Young Man Is the Potential to Change the World

Deep within the rugged soul of every young man, there is a warrior in search of his sword and a poet in search of his pen. But heroic, prince-like masculinity is something most women only dream of in today's perverse and self-serving world.

With contagious passion and boldness, Eric Ludy challenges you to forsake modern male mediocrity for Christ-built, warrior-poet manhood—manhood that will capture the heart of a woman and change the course of history.
