Le Muse Mystique: Collected Edition Elan Cruk

Le Muse Mystique is more than simply a collection of seductive and enticing photographs - it is a journey. Travel across several continents and into the secret life of mysterious Russian Fetish Model, Lady Kyra, as we explore a facet of visual storytelling that will leave you on edge, wanting more. With each photo session, the creative team of XIV Studios fashioned a delicate storyline that makes the already erotic images so much more exhilarating. Narrative from writer Elan Cruk weaves a unifying thread through the artwork to add a further dimension to this visual experience. From the perspective of an Escort for Hire who arrives with her tools of the trade in hand, to a Mistress who watches as her Maid attends to the Lord of the Manner... this and more awaits within the closed doors of these book covers. This Collected Edition contains all four volumes of the series, as well as 36 pages of previously unreleased material."
