Peaceful Valley is about to become a slaughterhouse!

For the first time ever, Samhain Publishing will serialize a terrifying original novel, *Savage Species*, in five installments, with new installments coming every two weeks. Here, as a special introduction to the fear that awaits you in *Savage Species*, is the first section, *Night Terrors*, absolutely free!

Jesse thinks he's caught a break when he, the girl of his dreams, and her friend are assigned by their newspaper to cover the opening weekend of the Peaceful Valley Nature Preserve, a sprawling, isolated state park. But the construction of the park has stirred an evil that has lain dormant for nearly a century, and the three young people—as well as every man, woman, and child unlucky enough to be attending the grand opening—are about to encounter the most horrific creatures to ever walk the earth. A species so ferocious that Peaceful Valley is about to be plunged into a nightmare of bloodshed and damnation.
