Playing for Keeps (Emerald Lake Billionaires Book 2) Leeanna Morgan

Three billionaires, an emerald lake, and a lifetime's worth of happy endings.

For the last five years, Ryan Evans has been riding the wave of country music super-stardom. He has everything he's ever wanted, more money than he knows what to do with, and a reputation that's been shredded to a pulp.

With a crazy ex-wife on the loose, he heads to Montana to hide from the media frenzy that's about to hit. But instead of finding blue skies that stretch into forever and more cows than people, he finds Sophie Elliott standing in the middle of a deserted road.

Sophie is in trouble. When Ryan finds her on the side of the road she has two choices – keep running or take a chance with a man who offers to solve her top two issues. She doesn't need to think hard about her answer. With a drug company stalking her and a sexy man offering her more than she expects, it's enough to make her scientific brain explode.

With more than his career at stake, Ryan has to convince Sophie that what they have is more real than anything either of them have known. But that means giving up a part of himself that he's never shared with anyone, and he doesn't know if either of them are ready for that. Especially when Sophie tells him the most deadliest secret of all.
