## **The Destruction of the European Jews, 3 Volume Set (Third Edition) Raul Hilberg**

A three-volume study of the Holocaust. First published in 1961, Raul Hilberg's comprehensive account of how Germany annihilated the Jewish community of Europe spurred discussion, galvanized further research, and shaped the entire field of Holocaust studies. This revised and expanded edition of Hilberg's classic work extends the scope of his study and includes 80,000 words of new material, particularly from archives in Eastern Europe, added over a lifetime of research. It is the definitive work of a scholar who has devoted more than 50 years to exploring and analyzing the realities of the Holocaust.
