The Hidden Crown: Northland - 1166 David Haworth

What would have happened if William of Normandy had lost the Battle of Hastings? What kind of nation would have been born if King Harald of Norway had conquered England instead? How different our history could have been if the wind had blown in the other direction for just one day in the summer of 1066.

The Hidden Crown is an alternate-history adventure that takes place a hundred years after such events. The country that would have become Norman England has split in two: the Anglo-Norse kingdom of Northland and the Saxon realm of Ængland. The two nations have been at peace for nearly a century, that is until the dying king of Ængland unexpectedly names his nine-year-old granddaughter, Adelize, as his heir. During her journey home to Ængland through the wilds of Northland, the child-queen is rescued from a bloody assassination attempt by the young Northlandic soldier, Thurstan Ælfsson.

Now the two sole survivors of the attack must find safety and allies in a desperate flight across the two kingdoms, never knowing whether they are about to encounter friend or foe.

From reader reviews:

Carlos White:

As people who live in the actual modest era should be revise about what going on or facts even knowledge to make all of them keep up with the era which can be always change and move ahead. Some of you maybe can update themselves by reading through books. It is a good choice for you personally but the problems coming to anyone is you don't know what type you should start with. This The Hidden Crown: Northland - 1166 is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and need in this era.

Sandra Byrom:

Information is provisions for anyone to get better life, information nowadays can get by anyone at everywhere. The information can be a information or any news even a problem. What people must be consider while those information which is inside former life are difficult to be find than now could be taking seriously which one is suitable to believe or which one the resource are convinced. If you obtain the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All those possibilities will not happen with you if you take The Hidden Crown: Northland - 1166 as your daily resource information.

Sheila Kilburn:

Can you one of the book lovers? If so, do you ever feeling doubt while you are in the book store? Make an effort to pick one book that you just dont know the inside because don't judge book by its handle may doesn't work at this point is difficult job because you are frightened that the inside maybe not while fantastic as in the outside appear likes. Maybe you answer might be The Hidden Crown: Northland - 1166 why because the amazing cover that make you consider with regards to the content will not disappoint anyone. The inside or content is actually fantastic as the outside or maybe cover. Your reading sixth sense will directly assist you to pick up this book.

Teresa Burns:

As a student exactly feel bored to reading. If their teacher inquired them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's spirit or real their hobby. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this The Hidden Crown: Northland - 1166 can make you experience more interested to read.
