**Work of Hunters (Sylvan Investigations Book 3)** Laura Anne Gilman

Danny Hendrickson – ex-cop turned PI – and his partner Ellen could be any low-rent private investigators trying to make a difference, and a living, in New York City.

Except Danny’s father was a faun, and Ellen is a storm-seer.

Together, they bridge the line between human and fatae, between Talent and Null — and specialize in helping people who fall into dangerous cracks between...

In *The Work of Hunters*, Ellen’s most recent vision strikes a memory for Danny — a memory that quickly turns deadly. Soon, they are racing the clock not only to stop a new killing, but to find justice for the long-dead.

A Cosa Nostradamus story

Praise for Laura Anne Gilman’s *Sylvan Investigations*:

“Gilman breaks your heart in the best way possible as she revisits the Cosa Nostradamus world with charming half-faun Danny taking the lead... Gilman’s deft touch delights.” — C.E. Murphy, bestselling author of *Shaman Rises*
