Disney's *Wreck-It Ralph* is a computer-animated feature film about a video game villain who wants nothing more than to be the good guy for a change. But when Ralph finally gets his chance, he discovers that being the hero isn't as easy as it looks. Soon the entire video game world is at stake, and if Ralph doesn't play to win, it could mean "Game Over" for every game in the arcade! This Junior Novelization retells the whole action-packed story for readers ages 8-12 and features eight pages of full-color scenes from the movie.
