She once led him around by a string. Now he's the one holding the reins.

Rough Riders, Book 13

Georgia Hotchkiss swore wild horses couldn't drag her back to Sundance, Wyoming. So it's ironic she's forced to take a rodeo PR job in her former hometown—right before her ten-year class reunion. The only thing worse than facing her cheating ex-husband and his pregnant wife? Showing up to the reunion without a date. Fate smiles on her when she runs into her former classmate and current cowboy hottie Tell McKay. With his infectious smile and fun-loving ways—not to mention his banging body—he's the perfect solution to her problem.

Tell McKay had it so bad for Hot Lips Hotchkiss during high school that he let her run roughshod over him. But he is no longer that easily manipulated boy—these days he's earned a reputation with the ladies that lives up to the McKay last name. He agrees to escort her to the reunion with one stipulation; that Georgia proves she has left behind the goody-goody cheerleader of the past—by sharing his bed.

Their sexual chemistry flashes so bright, they barely notice that the reunion has come and gone, and now they're tangled up in another dreaded “R” word—relationship. But if Tell wants to get the girl this go-around, he'll have to come up with a whole new set of knots to tie up her heartstrings.

Warning: Contains a sweet talkin' wild cowboy with a wagon load of crazy-hot sex fantasies and the mad bedroom skills to back up his claims.
