Is there really a spirit world? And if there is, can those disembodied souls communicate with the living? Can departed love ones speak to family from beyond the grave? These are questions Walt must ponder when a bizarre series of paranormal events lead his friend, Mary, to a treasure hidden away for seventy years, and a family she never knew existed. Walt's ultimate answer lies in the words of the Professor, "There are still many things beyond the comprehension of mortal man." A light-hearted look at things that go 'bump' in the night.
