Last Light (Restoration, Book 1) Terri Blackstock

Imagine this: Today, the world as you know it will end. No need to turn off the lights...there isn't any electricity. Your car suddenly stalls and won't restart. You can't call for help because your cell phone is dead. Everyone around you is having the same problem...and it's just the tip of the iceberg. Your city is in blackout. All communication is cut off. Hospital equipment won't operate. Airplanes are falling from the sky. Is it a terrorist attack...or something far worse? Yesterday's world is gone. Now all you've got is your family and your immediate neighborhood. You stand or fall together...you must rely on each other as never before. But one of you is a killer...and he could be your next door neighbor. This gripping novel explores the inner darkness of man and how the light of God reaches into the world, offering a new and better way of living. It's thought-provoking and pulse-pounding, touching and insightful. A must read.
