Shadows of the Gods: Crimson Worlds Refugees, Book 2 Jay Allan

The fleet fights on...deeper. Farther into the black unknown of space. There is no other path, no way for the lost to go save forward.

Admiral Terrance Compton's fleet is cut off from Earth, deep in the heart of the enemy First Imperium. A third of his people have died in the year his force has been fleeing from its enemies, but he is as determined as ever to find a new home for his people, a way to save his war-torn fleet. His people are running low on everything - food, ammunition, fuel - and the brutal enemy is in relentless pursuit, marshaling all its vast resources to track down and destroy the human refugees. Compton must find a way to replenish his dwindling stores while avoiding the massive enemy forces hunting his fleet from system to system.

Compton seeks an escape, a refuge for his exhausted spacers from the relentless pursuit of their enemies. But they are about to find far more than that as they discover the truth of the distant past and a glimpse of a new future that lies before them. What they learn will shake all they believe...and force them to reconsider who they are. And what victory would look like. The fight has just begun...and the stakes are even higher than any of them had imagined.
