Taking The Reins Fionna Guillaume

The last thing Julia expected to find at the local hunter-jumper horse show was a sexy cowboy. Yet there he is, with his blue eyes burning out from beneath his cowboy hat, and that belt buckle sitting at just the right place to highlight the tempting bulge in his Wranglers. Julia doesn't usually go for one-night stands, but in this case she may just have to make an exception.

This 4,500-word erotica short story features a girl who loves horses - and cowboys - and a man who not only looks damn good in his hat, but can walk his talk in the saddle... and in bed. (Or rather, in truck!)
