A REBEL LOVES FOREVER

Falcon Rebel has been father and mother to his girl ever since her mother walked out on them both seventeen years ago. Now Leah's back to see their daughter—just once, she says. She's built another life and wants them all to move on. But Falcon's suspicious. Her story doesn't add up. Why isn't she willing to keep the door open between them, at least for Eden's sake?

Leah can't tell them the truth—she won't burden her family with what she must face. But being close to Falcon again has reignited the incredible bond they once shared. They were so young then...and some things never change, including their feelings for each other. Leah thought she could walk away. But nobody loves like a Rebel—even though love might not be enough.
