Weekend Homesteader: August Anna Hess

Twelve months to self-sufficiency!

This fully updated second edition of the popular Weekend Homesteader series includes exciting, short projects that you can use to dip your toes into the vast ocean of homesteading without getting overwhelmed. If you need to fit homesteading into a few hours each weekend and would like to have fun while doing it, these projects will be right up your alley, whether you live on a forty-acre farm, a postage-stamp lawn in suburbia, or a high rise.

The August volume includes the following projects:

- * Saving seeds
- * Drying food
- * Building a chicken coop or tractor
- * Making a rain barrel

The second edition has been revised and expanded to match the paperback, with extra photos and feedback from weekend homesteaders just like you, plus permaculture-related avenues for the more advanced homesteader to explore.

From reader reviews:

Leslie Babcock:

Book is to be different for each grade. Book for children until eventually adult are different content. As it is known to us that book is very important for us. The book Weekend Homesteader: August seemed to be making you to know about other know-how and of course you can take more information. It is rather advantages for you. The e-book Weekend Homesteader: August is not only giving you considerably more new information but also to get your friend when you really feel bored. You can spend your current spend time to read your book. Try to make relationship together with the book Weekend Homesteader: August. You never truly feel lose out for everything in case you read some books.

Frances Temple:

Do you considered one of people who can't read enjoyable if the sentence chained inside the straightway, hold on guys this particular aren't like that. This Weekend Homesteader: August book is readable by simply you who hate the straight word style. You will find the information here are arrange for enjoyable looking at experience without leaving even decrease the knowledge that want to provide to you. The writer connected with Weekend Homesteader: August content conveys thinking easily to understand by lots of people. The printed and e-book are not different in the articles but it just different such as it. So , do you nonetheless thinking Weekend Homesteader: August is not loveable to be your top collection reading book?

May Chapa:

Information is provisions for people to get better life, information presently can get by anyone from everywhere. The information can be a knowledge or any news even an issue. What people must be consider when those information which is from the former life are difficult to be find than now could be taking seriously which one is suitable to believe or which one the particular resource are convinced. If you find the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take Weekend Homesteader: August as the daily resource information.

William Wood:

Reading a book to become new life style in this season; every people loves to learn a book. When you examine a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, due to the fact book has a lot of information upon it. The information that you will get depend on what types of book that you have read. If you would like get information about your study, you can read education books, but if you want to entertain yourself you are able to a fiction books, this kind of us novel, comics, and soon. The Weekend Homesteader: August provide you with a new experience in examining a book.
