A Reader's Companion to the Confucian Analects Rosemont

Readers of the Analects of Confucius tend to approach the text asking what Confucius believed; what were the views that comprise the 'ism' appended to his name in English? A Reader's Companion to the Confucian Analects suggests a different approach: he basically taught his students not doctrines, but ways for each of them to find meaning and purpose in their lives, and how best to serve their society. Because his students were not alike, his instruction could not be uniform; hence the large number of incompatible readings that have been given to what he said. By providing brief essays, finding lists, background and comparative materials, and historical context, this Companion is not intended as another interpretation of the ancient text, but rather as an aid for contemporary students to develop their own interpretive reading of it, in the hope of thereby aiding them in the search for meaning, purpose, and service in their own lives - as seventy-three generations of Chinese have done.

Palgrave Pivot publishes peer-reviewed research at lengths between the journal article and monograph. Liberating scholarship from the straightjacket of traditional formats, Palgrave Pivot allows works to be published in the format and length best suited to the work itself, within 12 weeks of manuscript acceptance.

From reader reviews:

Janet Smith:

Have you spare time for any day? What do you do when you have much more or little spare time? Yeah, you can choose the suitable activity for spend your time. Any person spent all their spare time to take a stroll, shopping, or went to the actual Mall. How about open or perhaps read a book allowed A Reader's Companion to the Confucian Analects? Maybe it is to be best activity for you. You realize beside you can spend your time with the favorite's book, you can cleverer than before. Do you agree with their opinion or you have other opinion?

Eva Pham:

Spent a free the perfect time to be fun activity to complete! A lot of people spent their spare time with their family, or their particular friends. Usually they doing activity like watching television, about to beach, or picnic in the park. They actually doing ditto every week. Do you feel it? Do you wish to something different to fill your own free time/ holiday? Might be reading a book may be option to fill your free time/ holiday. The first thing you ask may be what kinds of e-book that you should read. If you want to consider look for book, may be the reserve untitled A Reader's Companion to the Confucian Analects can be fine book to read. May be it can be best activity to you.

Hope Giles:

Is it anyone who having spare time after that spend it whole day simply by watching television programs or just lying down on the bed? Do you need something totally new? This A Reader's Companion to the Confucian Analects can be the respond to, oh how comes? A book you know. You are and so out of date, spending your free time by reading in this completely new era is common not a nerd activity. So what these ebooks have than the others?

Michael Hale:

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this A Reader's Companion to the Confucian Analects can make you sense more interested to read.
