**Asset Forfeiture Law in the United States - 2nd Edition** Stefan D. Cassella

*Asset Forfeiture Law in the United States 2nd Edition is a completely revised and up-to-date treatise that addresses important changes and significant developments in civil and criminal forfeiture law. Every chapter has been rewritten as a result of the explosive growth in this area of law and practice. This comprehensive one-volume resource examines and explores the outpouring of new case law stemming from federal law enforcement agencies that include the FBI, DEA, IRS and Homeland Security. These agencies initiate tens of thousands of administrative forfeiture cases every year and the second edition continues to lead the practitioner, prosecutor, judge and policy maker through the labyrinth of statutes, rules and cases that govern this dynamic area of the law. Many countries in Europe, Asia and Africa, as well as Australia and the Americas, have enacted asset forfeiture statutes modeled on U.S. law, making the cases interpreting the statutes relevant beyond the borders of the United States. In addition, this updated publication explains the changes in detail to the civil forfeiture procedure with reference to Supplemental Rule G of the Federal Rules of Civil Procedure and the applicable case law. As with the first edition, Asset Forfeiture Law in the United States 2nd Edition serves as both a primer on forfeiture law for the newcomer to this area, as well as a handy resource for anyone needing a comprehensive discussion of any of the recurring and evolving forfeiture issues that arise daily in federal practice.*
