## **Kastori Devastations (The Kastori Chronicles) (Volume 2)** Stephen Allan

They defeated the most powerful being on their new home. But now they must survive the vengeance of the most powerful being in the universe. Peace has finally come to Anatolus as Celeste, Cyrus and Crystil live in harmony with the Kastori. For the last six months, life has consisted mostly of laughter, great food and no danger. But in the back of their minds, they know Typhos, the creator of Calypsus and the destroyer of their old empire, seethes with rage at the loss of his monster. They've heard the harrowing tales, and how he intends to torture them and break their spirit once he captures them. The tranquility is fragile, and Typhos can shatter it at any moment. It all comes to a head when Celeste has a disturbing vision that shows him amassing an army, and they must prepare once more for battle—even as many war-weary Kastori refuse to fight. Will Cyrus and Celeste use their new powers, and Crystil her soldier's skills, to defeat the self-proclaimed deity and bring everlasting peace to both Anatolus and Monda? Or will Typhos annihilate everyone, bringing an end to all life?
