## **La Biblia Secreta - Arcana Vulgata (Spanish Edition)** Jesús Bodas Herrero

En la Cámara Arcana, la más recóndita del sistema de archivos vaticano, un misterioso robo ha tenido lugar. El expediente sobre Johannes Gutenberg ha desaparecido.

Una reportera de la CBS, Nicole Holland, recibe la orden de elaborar un documental sobre los avances tecnológicos que han marcado el desarrollo de la humanidad. Decide que la expansión del conocimiento ha sido posible gracias a los libros y determina la invención de la imprenta cómo el punto de partida de su reportaje.

En la Biblioteca Nacional de Praga comienza su investigación sobre la vida de Gutenberg. Con cierta fortuna descubre un libro perdido que le conduce al monasterio de Stahov. Una carta del socio de Gutenberg, Andreas Dritzhen, destapa un misterioso enigma relacionado con un molde de la primera imprenta diseñada Gutenberg.

Por otra parte, un asesino en serie, un verdugo, mata de manera ritual a varios miembros de la Curia Vaticana. En sus cuerpos aparecen tatuadas dos palabras: el nombre de un Santo y la Iglesia en la que aparecen sus cuerpos inertes.

Dentro del Vaticano un siniestro Cardenal, Ravanelli, encarga a Marco Alandri, capitán de la Guardia Suiza, la misión de recuperar el expediente Gutenberg. Esta misión cambiara el rumbo de su vida.

El inspector Luca Tardelli investiga los asesinatos de religiosos cuando recibe una peculiar videollamada. El asesino contacta con él. El último de los asesinatos no ha sido obra suya. Alguien ha intentado imitar su estilo. Desde este punto de la novela un nuevo asesino se convertirá en el objetivo del inspector italiano y del verdugo de religiosos.

Nicole Holland, acompañada por Piero Totti, un formidable y culto ayudante, descubrirá una serie de pistas que le mostraran el camino hacia la primera Biblia impresa por Gutenberg. Una Biblia que oculta un oscuro secreto: el Evangelio de Judas Iscariote. Desafiando al peligro recorreran toda Europa... Chateau de Rennes, Praga, Notre Dame, e incluso Quarm, el Mar Muerto... Se enfrentaran a pistas escondidas en cuadros y tumbas, una compleja cifra Ostendorf, un secreto oculto en la tumba del padre Sauniere. ¿Sería posible que Gutenberg recibiera el encargo de imprimir una Biblia con el Evangelio de Judas? ¿Quién estaría interesado en esa Biblia?

Quizás un Cardenal que desea convertirse en el próximo Papa. Pero... aún más importante... ¿quién estaría dispuesto a todo para que esa Biblia no llegara a la luz pública?.

Yo me permito plantearles una descabellada hipótesis dentro de una aventura dinámica y frenética que mantendrá al lector inmerso en la novela.
