Aman: The Story of a Somali Girl

This is the extraordinary first-person account of a young woman's coming of age in Somalia and her struggles against the obligations and strictures of family and society. By the time she is nine, Aman has undergone a ritual circumcision ceremony; at eleven, her innocent romance with a white boy leads to a murder; at thirteen she is given away in an arranged marriage to a stranger. Aman eventually runs away to Mogadishu, where her beauty and rebellious spirit leads her to the decadent demimonde of white colonialists. Hers is a world in which women are both chattel and freewheeling entrepreneurs, subject to the caprices of male relatives, yet keenly aware of the loopholes that lead to freedom. **Aman** is an astonishing history, opening a window onto traditional Somali life and the universal quest for female self-awareness.
