There are no words for desire this hot...but he'll sure try to find them.

The Boot Knockers Ranch, Book 2

If there's one thing that Damian Vince can do well, it's read women. With his trademark wink and sexy drawl, he's the most wanted cowboy on the Boot Knockers Ranch, a spa where sexually challenged women come to get charmed out of their uptight panties.

He's also the ranch's bad boy—he hates to admit he's had his mug-shot taken more than once. But now he's on the right path, ranching and fulfilling women's desires.

Prim grade-school teacher Ruthie Johansson prays Damian will be able to fix her strict upbringing that's left her leery of men and intercourse, though her body aches for both. Once she sets eyes on the muscular, auburn-haired Damian, she throbs only for him.

As they get skin to skin, her instinct touches something Damian's been struggling to hide from his fellow Boot Knockers. A secret he's spent a lifetime keeping buried beneath bar brawls and a bad attitude. But with Ruthie's gentle coaxing, he just might give overcoming it another try—as long as they do their homework in bed.

Warning: Contains a bad boy with a vulnerable underside, a squeaky clean woman who wants to get dirty, and a secret shame only love and compassion can heal. Prepare to drool while he parses her sentences...one sexy verb at a time.

From reader reviews:

Sarah Fernandez:

Book is definitely written, printed, or created for everything. You can understand everything you want by a guide. Book has a different type. We all know that that book is important point to bring us around the world. Beside that you can your reading proficiency was fluently. A book Body Language (The Boot Knockers Ranch Book 2) will make you to always be smarter. You can feel far more confidence if you can know about everything. But some of you think which open or reading some sort of book make you bored. It is not necessarily make you fun. Why they could be thought like that? Have you searching for best book or suited book with you?

Theresa Frost:

In this time globalization it is important to someone to receive information. The information will make someone to understand the condition of the world. The fitness of the world makes the information much easier to share. You can find a lot of referrals to get information example: internet, classifieds, book, and soon. You can view that now, a lot of publisher this print many kinds of book. The particular book that recommended to you personally is Body Language (The Boot Knockers Ranch Book 2) this e-book consist a lot of the information in the condition of this world now. This kind of book was represented how do the world has grown up. The terminology styles that writer use to explain it is easy to understand. Typically the writer made some investigation when he makes this book. Here is why this book suitable all of you.

David Ruby:

Is it anyone who having spare time and then spend it whole day simply by watching television programs or just resting on the bed? Do you need something new? This Body Language (The Boot Knockers Ranch Book 2) can be the respond to, oh how comes? A book you know. You are so out of date, spending your spare time by reading in this brand new era is common not a nerd activity. So what these textbooks have than the others?

Eva Lynch:

As a pupil exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just little students that has reading's heart or real their hobby. They just do what the professor want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Body Language (The Boot Knockers Ranch Book 2) can make you feel more interested to read.
