Daily Algebra Practice: Use It! Don't Lose It! John Linton

The Use It! Don't Lose It! Daily Practice Series helps your students use their skills, so they won't lose them! There are five problems a day, every day, for 36 weeks. The practice activities are set up in a spiraling scope and sequence so that students practice skills at regular intervals. Each week problems are based on a grade-level appropriate topic so every time a skill shows up, it has a new context, requiring students to dig into their memories, recall what they know, and apply it to a new situation. Correlated to state and national standards, this six book series provides daily math and daily language practice.
