Haunted by the responsibility of caring for her troubled family, Maya Jacobs gave the only answer she could when Cameron asked her to marry him. Years later, entrenched in a soulless professional routine, she distracts herself from the lingering regret of her decision with a “work hard, play hard” lifestyle that guarantees no man will ever find his way into her heart again.

Cameron Bridge has spent the past five years married to the military, trying to escape the painful memory of losing Maya. After fighting his own war in the desert, he starts a new life in New York City, with his siblings, Olivia and Darren, by his side.

When fate brings Maya back to him in the heart of a city filled with its own hopes and shadows, can Cameron find the girl he once loved in the woman she’s become?
