If Americans don't wake up shorty, a nightmare of epic proportions will swallow us whole, for better or...for worse. Professor Harlan Watt has devised a way for us to reboot the American Dream. But as Professor Watt soon finds out: It's not a piece of cake trying to alter history's inevitable course. The one percent, can't allow its subjects to thwart their destiny. Thailand is the major setting of this novel, with cameo settings in both North America and Malaysia. A novel you won't soon forget...
