Tibetans 2014 Wall Calendar The International Campaign for Tibet

Since the Dalai Lama first appeared on the cover of LIFE magazine in 1959, much of the world has been fascinated by the Tibetans. The emergence of the Peoples Republic of China and its occupation of Tibet beginning in the mid-twentieth century opened Tibet to the outside world and brought us more images of Tibetans. Nonetheless, Tibetans and their plight still remain significantly shrouded by Chinese government policies that restrict freedom of movement and speech, and access to foreign visitors. The International Campaign for Tibet (ICT)s 2014 calendar provides a glimpse of Tibetans in their homeland. Your purchase of this calendar provides funds for ICT to further its work to promote human rights and democratic freedoms for the people of Tibet.
