Trials by Wildfire: In Search of the New Warrior Spirit Peter M. Leschak

Journey with Peter Leschak, wildland firefighter, as he explores the warrior spirit--a genderless code emphasizing personal integrity, responsibility, patience, will, commitment, and inner courage, forged through life's "trials by fire."

Using his professional experiences fighting forest fires as a vivid metaphor for the warrior code, Peter weaves captivating tales of raging wildfires, the warm camaraderie and good-natured competition of a small-town tavern packed with smokejumpers, the clarity of the night sky, the subtleties of an ancient Chinese board game--all offering profound lessons in the quest for a new understanding of life and its purpose.

To each episode, Peter brings the soul of a poet contemplating life in the face of imminent death, as well as a professional firefighter's keen apprehension of hazardous operations and fascination with the seductive allure of a blazing inferno. Readers can dip into these pages for a vicarious jolt of adrenaline--or use *Trials by Wildfire* as a roadmap in their own search for life meaning.
