#### **Charlie Seymour:**

As a university student exactly feel bored to be able to reading. If their teacher asked them to go to the

library or make summary for some book, they are complained. Just small students that has reading's soul or real their pastime. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that examining is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Augmented Reality Law, Privacy, and Ethics: Law, Society, and Emerging AR Technologies by Brian Wassom (2014-12-24) can make you truly feel more interested to read.
