New York Times bestselling author Nicole Edwards' scorching-hot 'Club Destiny' series continues with these **two** sinfully sensual tales of romance that are too hot to handle.

"CONVICTION"

Samantha Kielty only thought she knew who she was and what she was made of. Until she was offered a position that would take her from her small office in San Antonio to that of her company's larger, more upscale headquarters in Dallas, Sam hadn't seen anything. Her new boss was not only intensely sexy, he was also about to show her things she had only read in books.

Logan McCoy's life was steady going until he set his sights on his new vice president of project operations. The woman makes his blood boil and makes him want things he hadn't realized he was in search of. Logan only hopes that Samantha is capable of handling his dominating, controlling ways ... especially between the sheets or in the shower.

When Logan and Sam get together sparks fly, and they bring out each other's deepest, darkest desires. He will push Sam past her sexual boundaries, and she will bring out his need to possess her in every way. But can they find love within the inferno that burns between them?

"ADDICTED"

Samantha still vividly remembers those nights so long ago when Logan introduced her to the ecstasy of a menage. Now that Logan's brother has up and fallen in love, Sam wonders whether she'll ever get the chance to do it all over again.

Logan knows his wife fantasizes about another threesome and longs to give her everything she wants. Since his twin brother Luke is no longer a part of their relationship, Logan has to seek out the man who can complete Sam's every desire. He's found him, and now he can only hope the fires that ignite between them don't burn down the house.

Logan aims to satisfy Samantha in every way he can. This time he's looking to Club Destiny to help fulfill those desires. The only thing left is to feed their addiction for one another.
