He's back -- L. D. Brodsky's working stiff from St. Louis, with his Bud Light-hued worldview and his uniquely foul-mouthed, malapropistic takes on modern life and his own tenuous place in it. This volume, the title of which is our unlikely hero's trademark interjection, brings together his narrations from seven of Brodsky's short-fiction books, in which he made spot appearances. Together, these episodes in the hilarious chronicle of a true American "rough" prove Brodsky's uncanny ability to satirize both the best and the worst of American culture. You will never again experience anything like *Guaragoddamnteeya!* -- guaragoddamnteeya!
