Rosie Rabbit is about to bring you wonderful adventures about the places she travels. She will tell you of her incredible visits in many parts of the world and also in the United States. The series of books will be fun to read and will act as a very interesting social study. Each story will begin with a poem about the point of destination and a map showing the location. Now and then, Rosie may be in a bit of danger or finds herself confused. However, our traveling bunny is a happy one with a good attitude and therefore always manages to get back on track. In this, her first adventure, she spends time in the beautiful city of Paris. While she wanders through the streets and sees the amazing places, she is not alone because of all the friendly people she meets along the way. She wants to visit all the sights that she was told about and wants to share it with you. Along with traveling, Rosie loves healthy eating, good workouts, and especially loves children. She would like to set an example to all who read about her adventures.
