It Can't be as Simple as That: Pack of 10 booklets Douglas MacMillan

Share this small but powerful booklet with your friends, share it with your family, share it with everyone who needs to know Christ. This is Douglas MacMillan's personal account of his conversion. As an atheist, he couldn't accept the simplicity of either Christianity or the Big Bang theory. When a friend held out two hands and said, "In this hand, I'll give you everything you are afraid of losing; and in this hand I'll give you Christ," Douglas realised that it was a simple choice after all.
