Late one evening she makes good use of her powerful mentor's departure and decides to better explore his keep, eventually stumbling across a seemingly ordinary room. However, little does the curious girl realize that the room hides a seductively sinful secret! Will she be able to undo the powerful magics that accidentally released a sexy new playmate before her master gets back? More importantly, considering what a rare opportunity this presents for the frustrated young sorceress will she even want to?

This short story is roughly 6700 words long and features sexy scenes between a gorgeous half-elven adventurer who accidentally releases a sinfully seductive succubus who decides to teach her a lesson she'll not soon forget!
