The TOP SECRET game booklet is a sourcebook of information for the play and creation of all sorts of espionage adventures, and the imagination of the players is the only limitation on what is possible. The full range of spy activities is represented - including investigating, smuggling, rescuing defectors, infiltrating enemy agencies, and eliminating those opposed to the organization. The action can be set in foreign capitals or the secret hideouts of deranged supercriminals, but one thing is certain: no one will know the outcome until the game is played and true loyalties come to the fore!
