If you are looking for some great ideas on how to use wood pallets to make your patio space look amazing by using refurbished materials than this is the book that you want to check out. In this book you will find a collection of ten different ideas for you to look at and perhaps use to make your patio space come to life. People will be very impressed that you got creative and reused old wooden pallets by repurposing them for your patio needs.

You may even have some wooden pallets lying around piled up at the side of your shed already. Well now is the time to read this book and get some great ideas how you can get creative and make some great items to add to the look of your patio. In this book you will find ways that you can do pallet projects for your patio that will save you a lot of money when you make things such as flower boxes using wooden pallets instead of buying them. You can paint them whatever colors appeal to your personal tastes. Often I know I find when I look for something such as a flower pot the store may not carry the particular color I am looking for. Make your own flower pot out of pallets and paint it your favorite color! It is a great way to teach your children how to recycle and reuse old things, repurposing them and adding some new life to them with a coat of paint!
