Many people today have an interest in the topic of Sacred Geometry but what is it specifically and how is it relevant? Explore the Sacred through Geometry is written as an aide in answering these questions. The reader will be guided through an understanding of the circle, its division in making mandalas, and its use in meditation. Particularly presented here are how to make mandalas, as shown in numerous easy to follow diagrams. Further, the book provides an understanding of the use of color, form, number, and dimension. Detail on the Golden Mean, and other proportions, is given. The book concludes with further thought provoking material and meditation on chakras, forms, color, and sound.
