This is the Book CVS Prefers You Wouldn't Read

For less than the cost of one razor (which you will score for free over and over again using the tactics in this book), learn how to legally walk out of CVS with lots of free products using their own currency: the ExtraCare® Buck.

You need to read this book because:

- Several years ago I stopped paying for shampoo, razors, and toothpaste. If I don't have to pay, why should you?
- Watch as I take a brand new CVS ExtraCare® card and score \$43.45 worth of merchandise for \$13.64 (includes 8.25% sales tax)...and walk out of the store with \$4 in ExtraCare® Bucks ECBs to spend in a future transaction.
- I provide full transparency with receipts and explanations.
- Learn an easy, revolutionized coupon system that opened my eyes two years ago. Hint: there are no binders, no folders, and very little clipping involved.
- Bonus Chapters: advanced drugstore game strategies, common CVS issues and how to nip them in the bud, and how to supplement your CVS Drugstore Game with free gift cards.

I have been playing the drugstore game for the last four and a half years, saving my two-person household over \$2500 with free and severely discounted products. The great news for you is that this is not some sort of fluke. What I do is called the drugstore game, and people have been playing it for years. **Don't you want to learn?**
